Determined to reach the target goal, PSA Pangasinan conducted the registration on wheels in different barangays in Calasiao, Sta. Barbara, Dagupan City, Mangaldan, San Carlos City, Villasis, Rosales, and Urdaneta City. The activity strategically increased the number of registrations in the province during the last quarter of 2023.

Committed to registering 92 million Filipinos by June 2024, PSA Pangasinan proactively engaged to adopt strategies to attain the target goal and establish a valid proof of identity for all Filipinos and resident aliens as a means of simplifying public and private transactions.
