

PRESS RELEASE

At least One in every Five Households Own Other Land in Ilocos Region

Date of Release: 19 January 2024
Reference No. 2024- 005

Based on the results of the 2020 Census of Population and Housing, there were 296,800 households, or 22.7 percent of the 1,306,220 households in the Ilocos Region, possess at least one type of land other than the land they inhabit.
