

PRESS RELEASE

PSA – RSSO I Participates in the Training Workshop on Regional Tourism Satellite Accounts for Luzon Cluster Batch 2

Date of Release: 07 February 2024
Reference No. 2024 - 013

Ilocos Region. The Philippine Statistics Authority – Regional Statistical Services Office I took a significant step towards economic empowerment through participation in a specialized training workshop led by the PSA's Satellite Accounts Division (SAD) on 30 January to 02 February 2024. Held at the Subic Bay Travelers Hotel in Subic Bay Freeport Zone, the workshop focused on advancing the region's expertise in Tourism Satellite Accounts (TSA), crucial for economic analysis and decision-making among the provinces in the region.

The inclusive engagement of regional and provincial focal persons demonstrates a collective commitment to harnessing data-driven approaches for economic development. Through collaboration and knowledge sharing, attendees strengthened their TSA skills and fostered networks essential for informed decision-making and sustainable growth strategies. With expert guidance from trainers at the PSA Central Office, participants delved into TSA methodologies tailored to the unique economic landscape of their region, positioning themselves to drive growth and foster a resilient tourism sector that benefits communities and preserves local heritage.
