

## PRESS RELEASE

### PSA RSSO 01 Completes the Data Collection for the 2023 Provincial Product Accounts

Date of Release: 20 June 2024

Reference No. 2024 – 043

The Provincial Product Accounts (PPA) provides details on the economic performance of the provinces and highly urbanized cities. It is a source of indicators to monitor development and progress at the subregional level. The Ilocos Region is one of the seven pilot regions in 2023 to compile the 2018 to 2022 PPA.

This 2024, the Philippine Statistics Authority (PSA) – Regional Statistics Services Office 01, along with its Provincial Statistical Offices, is set to compile the 2023 PPA of the four provinces in the Ilocos Region. The data collection commenced from February to June 2024. The PSA is grateful to all its partners and stakeholders for their full support by providing data and information needed for the compilation.

The PSA now gears up for the estimation and validation of PPA. Trainings, workshops, and meetings will be conducted to firm up estimates, ensuring accurate and timely statistics for the PPA. The PSA is set to release the 2023 PPA of the four provinces in November 2024.
