

PRESS RELEASE

PSA-La Union enjoins support for August 2021 Labor Force Survey

Date of Release: 10 August 2021

Reference No. 2021-17

Statistical Researcher Jocelyn R. Orpia interviews the respondent of August 2021 LFS.

LA UNION – The Philippine Statistics Authority (PSA) – La Union Provincial Statistical Office enjoins support for the conduct of the monthly Labor Force Survey (LFS) on August 9 to 30, 2021.

The LFS aims to gather data on demographic and socio-economic characteristics of the population. It also aims to provide high frequency statistical information on the Philippine labor market information to better monitor and understand the current job situation and economy in the Philippines as well as the impact of the current Corona Virus Disease-2019 (COVID-19) health crisis. The survey result will also serve as basis for planning, formulation of policies, and implementing programs to create gainful employment and bolster livelihood opportunities for the Filipinos particularly those who were adversely affected by the COVID-19 crisis.

In La Union, about 103 randomly selected sample housing units will be visited by two Statistical Researchers (SRs) under the supervision of the

Dr. Danites E. Teñido, Chief Statistical Specialist; Statistical Specialist II Marieta P. Rivera, Provincial Focal Person; and Statistical Analyst Joselito C. Garcia, Alternate Focal Person.

The PSA requests for the support of the Local Government Units (LGUs) and cooperation of sample households in providing truthful, complete and accurate information to the SRs. The respondents are assured that data to be collected in the survey shall be covered by the confidentiality of information clause under Section 26 of Republic Act 10625 which stipulates that individual data furnished by a respondent to statistical inquiries, surveys, and censuses of the PSA shall be considered privileged information and such shall be inadmissible as evidence in any proceeding.

Furthermore, the PSA assures that all hired SRs are in good health condition and will strictly follow precautionary measures against COVID-19 to ensure the health and safety of involved individuals at all phases of field operation.

DANITES E. TENIDO, Ph.D.
