The PSA-La Union has implemented various strategies to cover PhilSys-unregistered residents of the province of La Union. These included the conduct of mobile registration activities in different barangays and collaboration with institutions to facilitate PhilSys institutional registration.

To make PhilSys registration more accessible, the PSA-La Union continuously operates its Fix Registration Center situated at Doña Pepita Bldg., Quezon Ave., Brgy. II, City of San Fernando, La Union, and deploys PhilSys personnel at the Civil Registration Services (CRS) Outlet of PSA-Regional Statistical Services Office I (PSA-RSSO I), Parammata Bldg., Biday, City of San Fernando, La Union. Additionally, the PSA-La Union has also continuously deployed PhilSys on-site registration at the DSWD Field Office I at Quezon Avenue, City of San Fernando, La Union every Monday to allow clients seeking assistance through DSWD programs to complete their PhilSys registration alongside their application processes.

To increase public awareness about PhilSys, the PSA-La Union conducted information campaigns during mobile registration and participated in barangay meetings. The agency also utilized media platforms, such as radio, to disseminate information about the National ID, including details in obtaining a Digital National ID for PhilSys-registered individuals.

The PhilSys is designed to streamline transactions and improve access to government and private services.
