All PNP personnel registered in the PhilSys were also informed how to check the delivery status of their PhilID using the 29-digit Transaction Reference Number (TRN) found in the Transaction Slip issued after successful PhilSys registration. This can be done in the Philippine Postal Corporation (PhilPost) tracker through <https://tracking.phlpost.gov.ph/>.

Moreover, the PhilSys team also catered requests for the replacement of PhilIDs with peeled-off front-facing photograph.

Queries of the PNP personnel were also accommodated ensuring that correct information about the PhilSys was provided.
