Reference No. 2024-70

The Philippine Statistics Authority (PSA) - La Union Provincial Statistical Office successfully launched its Philippine Identification System (PhilSys) "Rehistro Bulilit" campaign in San Jose Sur, Agoo, La Union on 31 August 2024 to promote the importance of early National ID registration among children aged 1 to 4.

During the event, Chief Statistical Specialist (CSS) Danites E. Teñido, PhD, informed that the "Rehistro Bulilit" campaign aims to ensure that all Filipinos will have access to the benefits provided by the National ID including young children.

Registration Officer II (RO II) Girard Francis M. Casuga also disseminated on Birth Registration Assistance Project (BRAP) as well as its requirements and enjoined the barangay officials to support this initiative. The BRAP is one of the major programs currently implemented by the PSA to ensure that all births of Filipinos in the marginalized sector, particularly those belonging to the Indigenous People (IP), Muslim Filipinos, and the poorest sector, are registered in their Local Civil Registry Offices (LCROs).

Moreover, PhilSys Focal Person Joselito N. Lavarro provided updates on PhilSys that included the uses of PhilID and its other forms, the electronic PhilSys ID (ePhilID) which is printed on a piece of paper and the Digital National ID – the digital version of the National ID accessible through the website <https://national-id.gov.ph> using computers or smartphones with an internet connection.

The PSA-La Union PhilSys team facilitated the National ID registration process for children aged 1 to 4 years in said barangay including those aged 5 and above.
