

PRESS RELEASE

PSA – RSSO I Conducts the 2nd Level Training for ASTIG Tech

Date of Release: 08 June 2022
Reference No. 2022-013

Participants from the four Provincial Statistical Offices attend the 2nd Level Training for the Augmented System for Travel Information using GIS Technology (ASTIG Tech) at City of San Fernando, La Union.

08 June 2022 – Ilocos Region. The Philippine Statistics Authority – Regional Statistical Services Office I (PSA – RSSO I) conducts the 2nd Level Training for the Augmented System for Travel Information using GIS Technology (ASTIG Tech) at the PSA – RSSO I Conference Room, City of San Fernando, La Union.

The three-day training will focus on the ASTIG Tech operational procedures, general concepts, and detailed instructions on proper encoding and plotting of travel information using the ASTIG Tech Web Application and ArcGIS Pro. Participants will be doing a series of exercises to test the systems to be used for this undertaking.

The GIS-based system aims to have a database of turn-by-turn navigation information which will be integrated with travel information including

Management System
ISO 9001:2015
