## PSA – RSSO I Announces the Conduct of August 2021 LFS in Ilocos Region

Date of Release: 05 August 2021  
Reference No. 2021-020

The Philippine Statistics Authority – Regional Statistical Services Office I will commence the field data collection for the August 2021 Labor Force Survey (LFS) on 09 to 28 August 2021 in Ilocos Region. This is the fifth round of the monthly LFS based on the PSA Board Resolution No. 08, Series of 2020.

A total of 384 randomly selected sample households, deemed sufficient to provide regional level estimates, will be interviewed. Statistical Researchers (SRs) will undertake the survey using the Computer-Aided Personal Interview (CAPI).

The monthly LFS aims to provide high-frequency statistical information on the Philippine labor market information to better monitor and understand the current job situation and economy in the Philippines as well as the impact of the current Coronavirus (COVID-19) health crisis.

Results of the monthly LFS will serve as a basis for planning, formulation of policies, and implementing programs to create gainful employment and bolster livelihood opportunities for the Filipinos particularly those who were adversely affected by the COVID-19 crisis.

In line with this, the PSA appeals to the sample households to cooperate and provide truthful, complete, and accurate information to the SRs.

The respondents are assured that all information collected from the sample households shall be kept strictly confidential and shall not be used for purposes of taxation, investigation, or regulation as provided under Article 55 of Republic Act 10625.
