Status of PhilSys ePhilID Issuances in Pangasinan

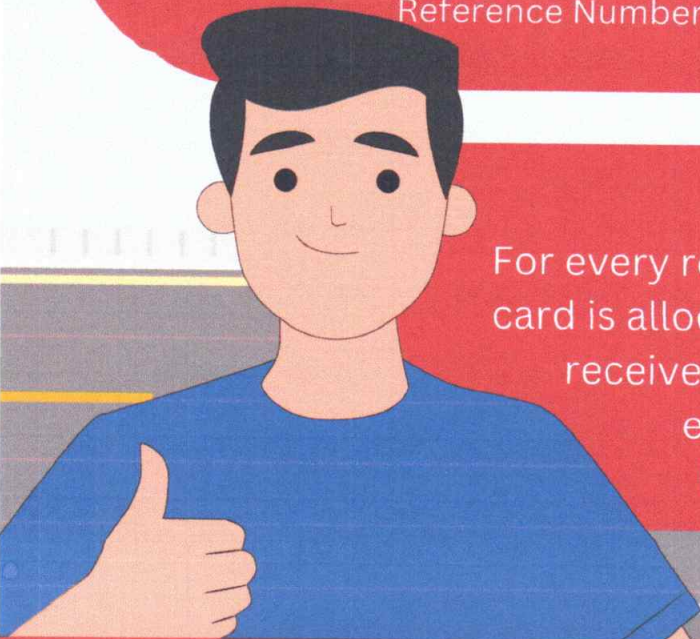

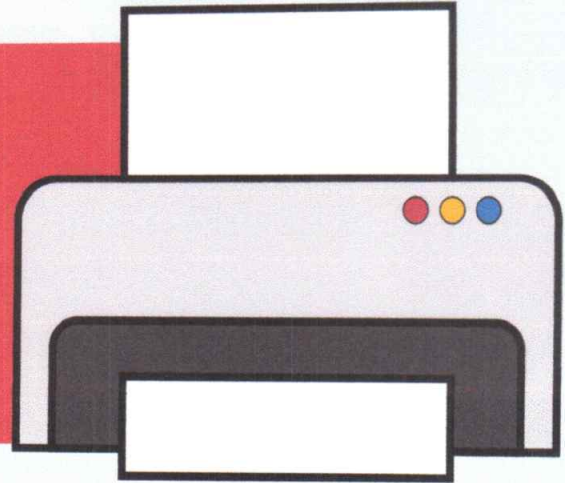

As of December 2023

As of December 2023, PhilSys has successfully issued **1,003,000** ePhilIDs across Pangasinan.

How to claim ePhilID?

ePhilIDs can be claimed from nearest Registration Centers. Ready your Transaction Slip, a document given to you after your Step 2 Registration. It contains the 29-digit Transaction Reference Number.

For every registered person, a physical PhilID card is allocated. A registered person will still receive his or her physical PhilID card even if they have already been issued an ePhilID.
